

The Inner Life of Parenting - Parenting the Inner Life

- ◆ What do parenting and spiritual practice have in common?
- ◆ Are they mutually exclusive or mutually supportive?
- ◆ Can parenting in the modern world help deepen our capacity to access the mystical realities that underlie our daily lives?
- ◆ Can a passionate inner life help us serve our children day to day?

Weaving personal story and insight from nineteen years of study and work with spiritual teacher and mystic, Lee Lozowick, Clelia Lewis, author of *Stainles Heart: The Wisdom of Remorse*, inspires and moves her audience to engage their own path with renewed depth, joy, and urgency.

"The responsibility of being with children, either in an official capacity as a teacher or parent, or simply as a friend or companion, is literally a responsibility for the future of humankind."
—Lee Lozowick
